EDUCATION

Siksha 'O' Anusandhan University (ITER)

Bachelor of Technology in Computer Science and Engineering (CGPA 8.41)

Bhubaneswar, India

2022-26

PROJECTS

To-Do List | [GitHub](#)

November 2024

HTML, CSS, JavaScript

- A To-Do List app is designed to help users manage their tasks and stay organized. The app provides a simple and intuitive interface for creating, editing, and tracking tasks.
- It's ideal for both personal and professional use, enabling users to keep track of their daily activities, deadlines, and long-term goals.

Calculator | [GitHub](#)

January 2025

HTML, CSS

- The Calculator app is designed to provide users with a simple yet powerful tool for performing a wide range of mathematical calculations.
- Whether for basic arithmetic or complex scientific functions, this app caters to diverse needs, making it an essential tool for students, professionals, and anyone who needs quick and accurate calculations.

Text To Voice | [GitHub](#)

July 2024

HTML, CSS, JavaScript

- The Text-to-Voice app transforms written text into natural-sounding speech, making it accessible and convenient for various purposes.
- This app is ideal for individuals with visual impairments, those who prefer auditory content, and anyone looking to multitask while listening to text-based information.

TECHNICAL SKILLS

Languages: Java, JavaScript, Python, C/C++
